

TENDER – EXPERTS (BANGLADESH) wanted!

For the implementation of an **Impact Assessment** conducted by the Fund for International Agricultural Research (FIA) for a completed GIZ-project “Salt tolerant potato and sweet potato production for strengthening food system resilience in Bangladesh” **madiba Consult GmbH** is currently searching for a Team Leader and a Research Expert. Period of assignment: from October 01, 2022 until July 31, 2023.

Team Leader qualifications:

- Advanced university degree (Master/PhD) in social sciences (e.g. economics, sociology) or a related discipline
- Business English (C1)
- 7 years professional experience in conducting impact assessments and/or adoption studies
- 7 years of management/leadership experience as project team leader or manager
- 5 years of experience in developing or emerging economies
- 5 years of experience in development cooperation projects

Research Expert qualifications:

- University degree (Master) in social sciences (e.g. economics, sociology) or a related discipline
- Business English (C1)
- 5 years of professional experience in a method/task relevant for this assignment (e.g. data collection, geographic data processing, statistical analysis, etc.)
- 3 years of experience working in developing or emerging economies
- 3 years of experience in development cooperation projects

Nice to have for both positions: Experience in publishing research articles in scientific journals

Applications must be submitted until **August 15, 2022**, by email with the subject line “*Role you apply for* Impact Assessment Bangladesh”. Please send us your résumé in English in the EU format. Email: aleksei.efimov@madiba.group
