

## GIZ TENDER – National Experts

For the implementation of a final evaluation for the GIZ-project "Qudra 2 – Resilience for refugees, IDPs, returnees and host communities in response to the protracted Syrian and Iraqi crises" madiba Consult GmbH is currently searching for **national evaluators** in **Jordan** and **Turkey**. The overarching goal of the project is to contribute to mitigating the destabilising effects of the protracted Syrian and Iraqi crises and to better respond to the resilience needs of refugees, internally displaced persons (IDP), returnees and host communities.

### Minimum qualifications

- University qualification (Master) in social sciences, economics, law, public policy or a related field
- Full fluency in the respective language (Arabic/Turkish) and very good command of the English language (C2)
- Sectoral knowledge in any of the following sectors as evidenced by 10 years of experience in education, protection, employment promotion and/or local governance
- 10 years in evaluation of development projects in the context of fragility and/or forced migration, including complex (large volume) and regional programs
- 10 years of professional experience in the respective country

The implementation period is from **December 2022** until **February 2024**. The number of workdays will be negotiated separately.
